III- B.Tech I Semester –RKR21-MID II Examinations, January-2025

Subject: Web Technologies

Date: 11-1-2025-FN

Branch: IT & CSE(AI&ML)

Duration: 70 Min.

Max. Marks: 10

Answer any TWO from the following Questions

2X5=10M

Q.No	Questions	Marks	CO	BL
1.	Explain in detail with the help of stage wise to create a Node JS web application to receive request and send response through port.	5M	3	2
2.	Discuss how Express JS handles route parameters, query parameters and body parameters.	5M	4	3
3.a)	Discuss the route handling for PUT and DELETE requests using HTTP module.	3M	3	2
b)	Briefly discuss the following response object methods a) sendFile b) sendStatus	2M	4	2
4.a)	List the features and advantages of MongoDB database.	2M	5	2
b)	Display the following information in MongoDB with the help of queries. a. List the students details of only first 3 students. b. List the students' details belonging to CSE Department.	3M	5	4
